

Call for papers
36th Applied Microeconomics Days
University Hassan II Ain Chock Casablanca, 6-7 June 2019

The University Hassan II Ain Chock is pleased to announce that the 36th Applied Microeconomics Days will be held at Casablanca, Morocco, on 6th and 7th June 2019.

The purpose of this two-day conference is to bring together academics and researchers to present and discuss their ongoing research, and to stimulate interaction and cooperation between them. Topics with an interest in the broad area of applied microeconomics are covered: consumer and demand analysis, producer and cost analysis, industrial economics, organizational economics, innovation economics, labor, education, health, family economics, public economics, spatial economics, transportations, finance, risk and insurance, development economics, welfare economics, agricultural economics, environmental economics and natural resources, law and economics, behavioral and experimental economics, applied micro econometrics, etc.

The **Revue Economique** will devote a **special issue** for this conference in September 2020.

Submission procedure and deadlines:

The scientific committee will consider complete papers, even preliminary versions. Papers should be submitted under the following link: <https://jma2019.sciencesconf.org/>.

The first page must contain:

the title of the paper, (ii) first and last names of presenter/co-author(s), (iii) an abstract, (iv) key words (v) JEL codes, (vi) affiliation, postal address, phone number(s) and e-mail address of presenter and co-author(s). Important dates:

- **Deadline for submission of papers: January 31st, 2019.**
- Notification of acceptance of paper: First week of April 2019.

Keynote speaker

Claude Montmarquette Professeur à l'Université de Montréal

Job Market:

In addition to the main JMA agenda, Ph.D. candidates and post-doctoral researchers will have the opportunity to participate in the Job Market organized during the conference. The placement service will facilitate job seekers to introduce themselves to future employers. To this end, Research Centers will communicate their contact in the program.

Registration fee for the conference:
